

Marvin knows firsthand the true value and significance of a loving family. He has been married to his wife Joyce for 42 wonderful years and has the blessings of 5 grown children and the joy of 11 grandchildren. It is through Marvin's love of family and law enforcement experience that enabled him to expose the destruction that drug abuse wreaks on families.

I share my appreciation for Marvin Van Haaften along with my fellow Iowans for the invaluable service he has provided to our State and country. He has proven himself to be versatile and fully capable of accepting and mastering the tasks placed before him. His enduring commitment to the safety of Americans is cause for admiration.

Again, I offer my congratulations and sincere appreciation to Marvin Van Haaften for his remarkable achievements throughout his extensive and highly regarded career. His hard work and determination will be missed in Iowa and throughout the Nation.●

#### TRIBUTE TO JUSTIN MINKEL

● Mr. PRYOR. Mr. President, it is with the greatest pleasure that today I honor Justin Minkel, a second grade teacher at Harvey Jones Elementary School in Springdale, AR, who was named a recipient of the 2006 Milken Family Foundation National Educator Award.

Since the inception of the Milken Foundation National Educator Awards Program in 1985, over 2200 outstanding men and women have been named Milken Educators. They are honored with both public recognition and financial reward for their exceptional educational talent and positive results in the classroom.

Justin Minkel teaches in a classroom where English is the second language for the majority of his students. His students have flourished under his instruction, with nearly a third becoming fluent in English. He uses hands-on experiences to show the relevance of math concepts, and makes subjects such as science, social studies and literature more meaningful by associating them with real-world experiences. He has shared these strategies with other professionals throughout his district and has also mentored student teachers from a local university.

During the 2007-2008 school year, Mr. Minkel will serve as an ex-officio member of the Arkansas State Board of Education. He will travel the State providing professional and technical assistance to other teachers.

My home State of Arkansas is fortunate to have men and women of Justin Minkel's caliber who devote their lives to providing quality education for our children. He exemplifies the commitment and energy that will help to build a brighter future for the generations to come, and I ask my colleagues to join me in congratulating Justin Minkel on receiving the 2006 Milken Family Foundation National Education Award. This is a well deserved honor.●
